2023

As the Technical Secretariat of the **9th EUGEO Congress**, which will take place from September 4th to 7th in Barcelona, we are pleased to inform you about Posters Sessions

- Posters must be displayed in its designated location throughout the session, and the author should be available for any questions from participants.
- Please note that in order to present your poster, you must be registered for the Congress.

**Furthermore, poster presentations during the Congress will be in paper format.**

1. Only posters with the following dimensions will be displayed.
2. The poster should be in vertical format with a maximum size of 109 cm in length and 71.5 cm in width.
3. Please use fonts such as Arial, Verdana, or Tahoma.
4. Choose a plain background without ornaments, in a color that contrasts with the text to facilitate readability.

Thank you very much for your cooperation. We remain at your disposal for any inquiries.

Sincerely,

**TECHNICAL SECRETARY**
